

Referral Partnerships

PRIVATE EQUITY FIRMS

ayming

FURTHER **TOGETHER**

Our clients are your clients

Why partner with Ayming?

Our Referral Partners receive a wide range of benefits including a dedicated liaison that works alongside you to present Ayming as an extension of services to your clients and an educational resource for your firm.

The Ayming liaison is an R&D Tax Credit and Government Funding expert who facilitates all aspects of the partnership, including onboarding, marketing materials, training and webinars.

Benefits to you

- Improve your cash position
- Dedicated liaison
- Access to training & webinars
- Present Ayming as an added benefit of your firm

Benefits to your clients

- R&D Tax Credit
- Employee Retention Credit (ERC)
- US & International Government Funding

Last year, we found over \$4.7m for one managing director at a private equity firm.

Seamless process

Carefully designed to minimize interruptions to your time and resources, we take pride in ensuring that our process is a seamless experience for our Referral Partners and their clients. Our team will work closely with you to accurately conduct tax code or government funding analyses to provide the maximum benefit to your client.

Who is eligible to be a referral partner?

We work with both individuals and organizations including:

- Accounting firms
- Private equity firms
- Tax advisors
- Cost advisors
- Trade associations & professional bodies
- Patent attorneys
- Technology service providers
- Payroll processors
- Health benefit brokers
